Elite Athlete Funding

The Judo Alberta Coaching Committee has released the Elite Athlete funding application form. This application is for funding for Judo Alberta/Judo Canada events that have taken or will take place between September 1, 2013 and January 31, 2014.

The elite athlete funding is for athletes in the divisions U18, U21, and Seniors who are travelling out of province for tournaments or training camps at a national or international level.

The Judo Alberta coaching staff is allocating \$3000 towards this part of the season for elite level athletes. The whole amount may or may not be completely used depending on the number of applicants and events. If funding is not completely used for this half of the season, the coaching staff will allocate the rest to the February to August 2014 portion of the season.

Applying for this funding is not a guarantee of funds. The coaching staff is looking for athletes that have shown dedication to their own judo training, tournament participation, and training camp participation. Also, the coaching staff is looking for athletes that are planning for future goals in the sport.

The athlete should have the full support from their personal coach/ head sensei/club before applying for funding.

Please E-mail all submissions to Fatira Merah (hpcoach@judoalberta.com) or Garry Yamashita (gee_why2@yahoo.com) by the deadline. All funding letters should be distributed within 2 weeks of deadline.

The deadline to apply for this round of funding is: **January 15th, 2014**

Thank you
