### Draw Format:

- For **U10 and U12** a round robin pool system will be used where each entrant meets each other entrant only once. Every effort will be made to have pools of four.
- For Weight categories with eight (8) or more entrants it will be a true double elimination system
- For weight categories with six (6) or seven (7) there will be two pools of round robin. The winner of Pool A (A1) will meet the second place from pool B (B2) and the winner of Pool B (B1) will meet the second place from pool A (A2). The winners of this match will then meet to determine 1<sup>st</sup> and 2<sup>nd</sup> while the losers will meet for bronze.
- For weight categories of five (5), four (4) or three (3) entrants there will be a pool system where each entrant meets all entrants in a round robin format. The top two entrants will then meet in one match for 1<sup>st</sup> and 2<sup>nd</sup> while the third place finisher will receive bronze.
- For weight categories of two entrants they will meet twice or until one entrant has two (2) wins.
- Unless there are sufficient numbers registered U21 and Sr divisions will be combined.
