In case that in the future Judo Canada has to select a Canadian veteran judoka for participation in international events, results of the National Championships will determine such selection(s) within the 12 months after that National Championships.
- ❑ This tournament will hold Kata competitions for KODOKAN GOSHIN JUTSU, KATAME-NO-KATA, JU-NO-KATA, KIME-NO-KATA and NAGE-NO-KATA. - ❑ National Training Camp will take place after the tournament (May 19/21, 2014). Refer to the Camp registration form included in this Package. Indicate participation in the Training Camp on the official Entry Form.
- ❑ **DOPING CONTROL. Each participant in the National Championships is subject to a doping control by the Canadian Centre for Ethics in Sport (CCES) on a random basis in accordance with the Canadian Anti-Doping Program (CADP). To avoid an inadvertent positive test and the consequences of an anti-doping rule violation, athletes are encouraged to take the following steps:**

- **Check the Global DRO ([www.globaldro.com](http://www.globaldro.com)) to determine if any prescription or over-the-counter medications or treatments that are banned by the WADA Prohibited List.**
- **Review medical exemptions requirements ([www.cces.ca/medical](http://www.cces.ca/medical)) if you require the use of a banned medication for a legitimate medical reason.**
- **Do not use supplements, or take precautions prior to doing so. Supplement products cannot be verified by the CCES or in the Global DRO. A lack of industry and government regulation makes it impossible to confirm their ingredients. Read more: [www.cces.ca/supplements](http://www.cces.ca/supplements)**
- **Review the steps of the doping control sample collection procedures: <http://www.cces.ca/en/samplecollection>**

**For additional resources and general information about anti-doping, please contact the CCES:**
