THE 35th ANNUAL ROCKY MOUNTAIN INVITATIONAL

Note to Parents of U10 and U12 Athletes:

In keeping with the directions of Sports Canada and Judo Canada, Judo Alberta is following the Long Term Athlete Development (LTAD) model.

This model states that athletes in the U10 and U12 divisions should be at the stage of **skill development**, and not at a competitive phase of their development.

In light of this policy, and as noted in Rule IV (1) (above), in the U10 and U12 categories the tournament will consist of randori sessions of two minutes duration. If one participant completely dominates the match, by throwing the other for multiple ippon-level techniques in a row, the referee may stop the match. Otherwise, the match will continue for the full two minutes.

In addition to the referee on the mat controlling the match, one or more mat-side officials will evaluate the competitors for the demonstration of judo skills, including:

1. sportsmanship
2. posture
3. etiquette
4. effectiveness of techniques
5. use of varying types of techniques (both standing and in groundwork)
6. use of techniques in different directions (both standing and in groundwork)
7. transition from standing techniques (tachi-waza) into groundwork (ne-waza)
8. transition between groundwork techniques

All athletes in these U10 and U12 divisions will be recognized for their skill level.

Note that in both the U10 and U12 division, mixed gender matches are allowed and may occur if there are inadequate numbers for single gender competition.
